Dear Mr. Briest:

TENTATIVE ORDER NO. R9-2003-0007, MASTER RECLAMATION PERMIT FOR THE OLIVENHAIN MUNICIPAL WATER DISTRICT, 4-S RANCH WASTEWATER TREATMENT PLANT, SAN DIEGO COUNTY

Enclosed is a copy of Tentative Order No. R9-2003-0007, including a monitoring and reporting program, which staff intends to present to the Regional Board for adoption at their regularly scheduled meeting on February 5, 2003.

If adopted, tentative Order No. R9-2003-0007 would establish master reclamation and waste discharge requirements for the discharge of reclaimed water from the 4-S Ranch Wastewater Treatment Plant to be used for purposes including irrigation. Order No. R9-2003-0007 would also designate reclaimed water use areas for reclaimed water produced by the 4-S Ranch Wastewater Treatment Plant and mandate a monitoring and reporting program for all recycled water users within the recycled water service area. Order No. R9-2003-0007 would supersede Order No. 85-04.

The February 5, 2003 meeting will begin promptly at 9:00 am and will be held at the following location:

Water Quality Control Board
Regional Board Meeting Room
9174 Sky Park Court
San Diego, CA

Please review and comment on the tentative Order at your earliest convenience. It is recommended that written comments be submitted by January 24, 2003 to enable staff to amend the tentative Order, if necessary, and allow changes to the tentative Order to be fully reviewed by the Regional Board and interested parties. The final deadline for submittal of written comments, however, is January 29, 2003. Per Regional Board direction, written material submitted to the Regional Board office after the submittal deadline date will not be provided to the Regional

California Environmental Protection Agency

Board. Also, it is not likely that written material will be accepted by the Regional Board on the day of the meeting.

If you have any questions regarding the above, please contact Mr. Bryan Ott at (858) 637-5589, or via email at otbry@rb9.swrcb.ca.gov.

Respectfully,

MICHAEL P. McCANN
Supervising Engineer
San Diego Regional Water Quality Control Board

Enclosure: 1. Tentative Order No. R9-2003-0007
 2. Tentative Monitoring and Reporting Program No. R9-2003-0007
